

Hall Internet Marketing Announces Three New Staff Members

Portland, Maine – [Hall Internet Marketing](#) is pleased to announce the addition of three new staff members. Geoff Bell, Eli Dolloff and Megan Cullity will be assisting Hall's web development and marketing teams as the company continues to grow its client roster and technical services.

As the Client Service Technician, Geoff Bell will be assisting clients with site updates and email marketing initiatives. Prior to joining Hall, Geoff worked at Morgan Stanley in Portland, assisting financial advisors with marketing and business development efforts. He received his bachelor's degree in history and economics from Colby College.

Eli Dolloff joins the web development team as a Junior WordPress Developer. He will be handling website design projects and maintenance. In addition, he brings adds his front-end and back-end coding experience to Hall's user experience testing group. He is a recent graduate of Southern Maine Community College, where he earned his associate's degree in Computer Science.

Megan Cullity will be providing administrative support to Hall's SEO, paid search, and senior management teams. "Megan brings energy and extensive customer service experience, and we are thrilled to have her join the team," says Director of Digital Marketing Rachel Bowes. Megan has a bachelor's degree in art history from the University of Southern Maine and an associate's degree in visual art from New Hampshire Technical Institute.

"We are happy to be able to invest in growth and in staff development," said President Tom Hall. "We feel that these new employees are part of a bright future for our company."
