

Hall Internet Marketing Continues to Grow Through Third Quarter

October 3, 2013

Portland, Maine – [Hall Internet Marketing](#), A Maine Technology enabled internet marketing firm, continues to experience growth through the third quarter due to an increase in demand for its premium web marketing services for larger online retailers. The company's earnings are up 20% year over year and it is projecting strong earnings through Q2 of 2014.

"We continue to see demand for all our services, but we have seen a marked increase in the retail sector in the second and third quarters," said Tom Hall, President of Hall Internet Marketing. "We are looking at a solid finish to a strong year and project continued growth through early 2014."

One of just a handful of technology enabled agencies in New England, Hall is the largest 100% interactive marketing agency in Maine. The company currently has 16 experts on staff with the addition of three new positions in 2013. Hall competes nationally with agencies in Boston, New York and California.
